

WHY SHOULD YOU BE A MEMBER OF THE MASON AREA CHAMBER OF COMMERCE ...

MEMBER DISCOUNTS ...

Our chamber members get discounts on registration to both Spring Fling and Down Home Days. And, admission prices and fees for many of our other events, such as Good Morning Mason, are discounted for you and your employees. One example: a member without a store front or a non-profit business pays dues of \$125 per year for membership and would be able to do an exhibitors booth at Spring Fling and Down Home Days to promote their business – and save \$50 on registration fees if they register for both shows.

MARKETING ...

The Chamber will help promote members. Any member in good standing can email promotions or announcements to the Chamber (masonareachamber@outlook.com) to be placed in our Mid-Month eNews Update that goes out to over 450 (and growing) chamber members and associates. The Chamber can also post events and special announcements to our Facebook page. This advertising is free for members at no additional cost. Members and employees can also attend our networking events - such as Good Morning Mason, After Hour Mixers, Annual Golf Classic. These are just some of the favorite ways to connect with other business professionals in our area. Additionally, we have countless sponsorship opportunities tied to our list of annual events. Our events bring people from near and far. Sponsorship offers a great way to promote your business and make your name more visible in the Mason and greater mid-Michigan community.

CREDIBILITY IN THE COMMUNITY ...

Consumers (especially in Mason) like to see businesses that are community supporters. The Chamber is a non-profit business organization run by member volunteers. The Chamber hosts many events that are free to the public, such as Spring Fling, Down Home Days, Thursday Night Live, the Independence Day Parade and the Holiday Lighted Parade. Each of these events are possible because of the support of our membership. It has been proven that consumers feel that businesses who are a member of their local chamber and support the community are more "favorable".

As many of our members can testify - these are only the highlights of how the Chamber benefits its members. Questions and requests for more specific info are always welcome.
